

Buying or leasing a new Subaru?

**YOU CAN CHOOSE TO GIVE A
\$250 GIFT TO MEALS ON WHEELS!**

For every new vehicle sold or leased, as a part of a national partnership with Meals on Wheels America, Subaru of America will donate \$250 to the purchaser's choice of participating charities.

Plum Community Center Meals on Wheels delivers support that helps keep local homebound seniors stay in their homes, where they want to be.

Too many seniors are alone and hungry, struggling to stay independent and healthy. Meals on Wheels helps seniors maintain their independence and reduces isolation.
